Nur Hilmi

Republic of Indonesia | +62 819 1114 7742 | nurhilmi.mail@gmail.com

Able to work both in teams and individually with good communication, as well as being capable of working according to established project management.

Work Experience

Frontend Programmer • Kementerian Koperasi Republik Indonesia

January 2022 ~ December 2025 • 4 years 0 month | Republic of Indonesia

- I was responsible for developing a responsive and attractive user interface using React as the main library, with Material-UI as the UI component. I actively collaborate with the design and development team to implement innovative designs and ensure UI/UX consistency across the website.

Frontend Web Developer • PT. Karl Wig Abadi

August 2019 ~ December 2021 • 2 years 5 months | Indonesia

- I develop and maintain various web applications using Laravel (only blade template) as the main framework. I was responsible for designing responsive displays using Bootstrap, as well as implementing interactive features with JavaScript to improve user experience.
